W.P.(C) 35047 OF 2007

JUDGMENT

The grievance of the petitioner is about the timings of the 2nd respondent that has been settled by the 1st respondent. The contention is that the timing conference was held without notifying the date. This obviously is incorrect in view of Ext.R2(a) that is produced by the 2nd respondent.

2. Be that as it may, if the petitioner is aggrieved by the timing, the remedy available to the petitioner is to seek a revision before the STAT.

3. Without prejudice to the right of the petitioner to that remedy, this writ petition is dismissed.
